OPPORTUNITY KNOCKERS

Dear Mayfair,

My name's Terry, I'm 24, I'm average looking and I'm really into going out with mates at the weekends. Being single, I'm always on the lookout for a hook-up, and if I'm really lucky, I might just cop off with a girl with massive tits. I'm not so stupid that I'd ever turn down an easy shag, but I've always had a thing about big knockers and there's nothing that turns me on more than burying my face between a nice juicy pair.

Call me superficial, but all my previous girlfriends have been at least a D cup and I wouldn't be happy long term with a flat chested girl. I know a lot of your readers

**BURYING MY FACE
IN HER JUGS, I
SLOBBERED ALL
OVER THEM...**

will probably frown upon this, but I can't help it - anything smaller than a big handful is a disappointment to me.

Earlier this year, I was out with my mates on a Saturday night. I got lucky with a girl with mammoth boobs and it ended up with me experiencing the best tit fuck I've ever had. We were out in our local club which is perfect for pulling as it's a bit of a meat market and there was some hot talent out that night. One bird really caught my eye, however, and I couldn't stop checking her out. She was quite short with black hair, a tattoo on her chest and the biggest fucking pair of tits I've seen in my life - in person, at least!

She was wearing a really tight top which made her incredible knockers almost spill out of the top of it. She was chatting to her mate and, when she laughed, her tits jiggled and threatened to escape their miniscule trappings. I couldn't take my eyes off her. She clocked me watching her and smiled, so I decided to take a chance and ask her if she fancied a drink. She didn't, but she grinned at me broadly as she shook her head and started dancing up against me,

gyrating and grinding into me. Initially I was convinced that she was taking the piss but as she continued to bump and grind I realised she wasn't, so I put one hand on her hip and started dancing with her.

I thought I was being relatively discreet as I copped eyefuls of her magnificent cleavage, causing my cock to first twitch, then tent-pole in the front of my jeans. Apparently, I couldn't have been more obvious because she reached down and began to rub it through the fabric. Then she leaned closer, and sniggering, asked if I liked what I saw.

"Fucking love it," was my grinning reply, as I took a half step back so that she could get easier access to my straining cock. Fuck, it felt so good, being squashed against her tits as she stroked my throbbing hard-on, and I couldn't give a fuck who saw.

I almost came in my pants when she asked me if I wanted to go and fuck. I nodded dumbly, totally gobsmacked, following her like a puppy as she led the way out of the club. My prick was dripping pre-come in anticipation as I fingered around in my pocket for a condom. She was obviously a regular, because the doorman nodded at her in a knowing fashion as she led me outside into a badly-lit alleyway.

As soon as we were around the corner

SPIFFING IMOGEN

Dear Mayfair,

What an unadulterated delight it was to see your stunning newcomer Imogen in your latest issue (54.07). From the very first photograph of her, perching on the bed in that fluffy negligé I knew we were in for a real treat, and I wasn't wrong. Every photograph that followed revealed more and more of this beauty's natural, despite the surprise reappearance of her panties towards the end of the spread. And talking of spreads, the sight of her spread-eagled in that final photograph, playfully teasing her perfectly shaven pink slit, was sheer perfection. I hope we'll be seeing plenty more of Imogen in the future, and dare I be so bold as to suggest that she deserves both a cover and a centrespread?

George, Hammersmith.

Thanks George. She really is out of the top drawer, isn't she? We'll definitely be doing our best to make sure Imogen gets plenty more Mayfair outings from now on! - Ed.

SOMETHING'S AFOOT!

Dear *Mayfair*,

Given that you've received a couple of letters lately on the subject of foot sex, perhaps you could make a point of featuring the models' feet a bit more prominently in the magazine? I realise that more often than not the girls are wearing stockings, which makes things a bit trickier, but I'm sure I can't be the only one out here who gets incredibly turned-on by the sight of a pretty girl showing off her toes. We had a few tantalising glimpses in your last issue, mostly courtesy of Natalia, whose feet appeared in quite a few pictures, albeit with the occasional toe cropped out! Please can foot-lovers like me have a bit more consideration when it comes to picking the photos you print, and how you crop them?

Yours hopefully,

Simon, Berkshire.

Good point, Simon - we'll see what we can do! - Ed.

and out of sight of the club entrance, she simply pulled her top and bra down to reveal those huge fucking tits to me. I could not believe my fucking eyes! Here she was, outside a packed nightclub just metres from the road with her tits pulled out in front of me.

I lost all reason and grabbed for them, mangling her fleshy globes and pulling her pebble-hard nipples. Burying my face in her jugs, I slobbered all over them before she asked me if, since I obviously had a one-track mind, I would like her to treat me to a tit-fucking!

Nodding eagerly, I unzipped and wrestled my jeans and boxers

down to reveal my throbbing hard-on. She reached out and started to wank me, sliding her hands rapidly up and down my hard shaft. Cockily, she asked me for my jacket, which she dropped on the filthy cobble-stones before she knelt down on top of it, sticking her tongue out to lick all the way along my shaft before taking my entire length into her mouth. I figured it was worth the cost of the dry-cleaning as I looked down to watch this sexy bitch sliding my cock in and out of her gob - and I swear she was fucking loving the electric effect it was having on me.

She then took my dick out of her mouth and began rubbing it all over her cheeks, before moving it down to her tits, smearing her saliva and my pre-come all over them. I reached out and wrapped her big jugs around my cock, squeezing them tightly together.

The situation was the hottest I'd ever been involved in and I knew I wasn't going to last long. Here I was, down some grotty back alley with my cock wrapped between a gorgeous bird's huge boobs and we were both grunting like animals. She was talking dirty to me, telling me how much she loved getting her tits fucked and I was pounding her huge boobs like a man possessed.

She reached down to massage my balls while I fucked her knockers, driving my knob back and forth like a maniac. My nuts tightened as I jabbed harder and harder and suddenly I was shooting a huge load of hot sticky jizz into her fabulous cleavage.

It seemed to last forever as I emptied my load onto her chest. Some even shot up onto her neck and chin. When I had finished coming she gave me a slobbery kiss, pulled her top back up, thanked me, and walked off without even wiping my spunk off her!

I watched her sexy arse wiggling away from me as I sat down to chill and get my mind around what had just happened. I didn't even get her name and, although I go back to that club now and again and always keep an eye out, I haven't seen her since. But that memory is firmly in my wank bank and comes out quite regularly, I can tell you!

Terry, Portsmouth

SUB-BLY JUBBLY!

Dear *Mayfair*,

My new girlfriend has a complex sexuality that was new to me. Although she always enjoys the sex, she feels a strong aversion to being 'Invaded' by a penis unless she performs humiliating, mild dom acts on me before I can enter her. I found it hard to get my head around it at first, but we persevered in developing games which we've both found satisfying.

Normally we start sex with a little scenario such as one of the following: I walk into the room with my tackle hanging out of my trousers, and she will say something like, "Your tail and testicles are sticking out - put them away!". With a heavy sac and a stiffie this proves awkward to do; or, she enters to room to find me masturbating over a girlie mag like *Mayfair*, or sniffing her panties and she'll call me a dirty, kinky old tosser and I'll have to agree.

Next she will do things like gently trampling my cock under her stilettos and use her bra or knickers to whip my private parts, or make me envelope my stiff prick in pair after pair of her stockings until I can hardly feel it when she makes me masturbate in front of her.

Next things will turn verbal, as she says things like, "I expect you want to stick your dick up me," or, "You probably want to me put that prick of yours against my lips and kiss it. Well first you'll have to lick my pussy out!"

By this stage I cannot wait to tongue her - sometimes through her panties, sometimes she'll pull them to one side and allow my probing tongue full access to her dripping slot as she spreads her labia wide open. I love this part, and I know the more pleasure I give her at this stage the more she will satisfy me later on!

Sooner or later she relents and says, "OK, now you can fuck me, you dirty bastard!" and that's what I do, slamming my cock

It's been a bit longer than we might have liked since Mayfair favourite Zara Mae paid us a visit, but we've finally managed to persuade her to give us a date and lo and behold – her she is!

"Yes, well, sorry about that, but it's so hard to find a gap in my diary these days, what with one thing and another. Us girls don't just sit about at home twiddling our thumbs waiting for *Mayfair* to get in touch, you know!"

Really? Hmm, I suppose they probably don't, although we really ought to be somewhere near to top of you list of priorities, surely! We'd drop anything we had planned if you asked us to come over!

"I can certainly believe that!"

into her well-lubricated hole and playing with her clit until she comes... and then I can do anything I want! I can shoot my load up her cunny, fuck her up the arse, or her mouth, or slid my cock between her boobs until I come all over her face. It's an arrangement that works well for both of us.

For her birthday present recently she arranged a little party for herself (which I paid for). As I gave her my gifts she said, "I have a little surprise for you. Be a good boy and take off all your clothes."

I stripped off and she told me to stand in the middle of the lounge.

"Now don't you move from there!" she ordered before strutting out. I could hear her high-heels clatter on the kitchen floor for a while before she came back in and told me to put on a pair of crotchless tights she'd brought in. I did as I was told and stood there with my tackle dangling out,

I WAS ORDERED TO DON A BLINDFOLD, AT WHICH POINT I WAS TOLD THEY WERE REMOVING THEIR PANTIES...

and then she told me to put on a second, normal, pair. I felt rather awkward wearing the tights, but for some reason my cock was clearly interested. Then, much to my dismay, she fetched a bowl of ice, which she poured down the front of the tights and over my cock and balls! The shock was intense, and naturally my cock and balls shrivelled up accordingly.

"Stay there," she instructed as she retreated once more to the kitchen, returning with six glasses of bubbly!

By this time my genitals had shrunk so much they'd almost disappeared, and to my astonishment she was followed in by five ladies, all wearing long dresses and high heels. They sidled in slinkily, sat down, and took the wine glasses as my girlfriend passed them round.

"Take off the second pair of tights, you naughty boy," she ordered, and one of the other ladies echoed her last two words.

"A very naughty and kinky boy," added a third.

I removed the tights to reveal my wrinkled and shrunken genitalia that looked more like an infant's than a fully-grown man's.

"Is he a man or a mouse? Squeak squeak!" mocked the ladies as my girlfriend advanced, bearing a magnifying glass, and scrutinised my crotch.

"Nothing to see here. Move on please!" my girlfriend declared, and there was lots of giggling and remarking about my frozen, shrivelled genitalia. There was talk of fetching tweezers to handle it, and while I felt totally degraded, I also found the situation intensely erotic and exciting.

"Let me see if we can wake it up," my girlfriend finally said, and starting to swat

my arsecheeks with a fly-sway. There was no real pain – just a mild tingling, but the heat seemed to help defrost my cock, which started to grow a bit. "Oh, I think there may be something there after all, ladies!" she mocked, and the other ladies gathered round, flicking my cock and scrotum with feathers and continuing to mock; "My nipples are bigger than that," and, "My clit's bigger!" to much amusement.

The steady speed of growth was increased when my girlfriend hooked a suspender belt round my prick and started to jiggle it, which send the blood flowing back properly until I was sporting a full on stiffie, which stood proud at 7 inches with a good girth.

"The ladies would like to watch you wank now," I was told, much to my relief, and to inspire me they all nodded and started to remove their dresses to reveal an array of sexy underwear in a variety of hues, with stockings all held up by three garters on each leg.

"Shall we all play hoop-la?" my girlfriend asked as I set about wanking my stiff cock, and as I did so they took it in turns to remove their garters and toss them towards my prick. It took them a lot of throws, but slowly but surely they started to score the odd 'hit' and I gained a tickly, frill of garters up my shaft. The sensation, combined with the situation, was electric and I was feeling hornier than I'd ever felt in my life.

The ladies soon had their hands slipped inside their panties, playing with their pussies. But before I could really see any of them I was ordered to don a blindfold, at which point I was told that they were all removing their panties and I was to lick each of their pussies in turn. Crawling towards the sofa, I set about my task, lapping away at one juicy pussy after

A CASS ACT!

Dear *Mayfair*,

While I can't escape the conclusion that I'm now clearly getting on a bit, I can't hold it against you for featuring the timeless beauty Claire Cass as your *Mayfair* Classic in your latest issue. I was a massive fan of Claire's in the 90s, and can well remember this ballerina set when it appeared in *Mayfair* first time round, 21 years ago. All in all I think I must have been buying *Mayfair* on and off for over 30 years now, and it still gives me a thrill each month to see which beauties you've got lined up for us lucky readers, and although Claire will always hold a special place in my affections, I'm delighted that you've still got so many wonderful models who are more than capable of putting a bit of lead in the (getting old) pencil!

Mike, Basildon.

another while reaching up to play with their bra-clad boobs and stroking their silky thighs.

At long last they agreed it was time I was rewarded for all my good work, and my blindfold was removed, allowing me to feast my eyes on all their gaping, dripping cunnies. It was all too much for me, and as they tossed their panties into a pile on the floor I was told I was allowed to wank myself off and spunk all over the panty pile, which I did almost instantly, spunking so much that I heard occasional gasps from all the ladies in the room.

As I struggled to regain my composure the ladies got up and filed out, leaving me their panties and nylons as a reminder of our erotic adventure. My girlfriend's told me that next time they'll be expecting me to perform with a sex doll for their entertainment, and I can't wait.

Alan, Hants.

With her stupendous, all natural F-cup boobs and her nicely proportioned 5'7" frame, Brookie Little doesn't quite live up (live down?) to her surname, does she? That must have caused a bit of merriment at school when her chestage started to make its presence felt!

"Oh, I don't actually think anyone made the connection," she says, trying to cast her mind back to the days when she didn't have such magnificent mams. "But I do remember becoming suddenly very popular, whereas before then the boys had mostly ignored me!"

Well shame on them for being so shallowly fixated on knockers. Still, cor – they're a lovely pair alright!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

NIKON D3500

Go on, take a look at the picture and rack your brains – recognise it? Yes, it's a camera – one of those things we all used to have to use before smartphones came along and the convenience of having a cameraphone meant that nearly all of us decided that we really couldn't be bothered to lug an actual camera around with us any more. But can that tiny phone in your pocket really match the performance of something that's been designed solely for the purpose of taking great pictures? Of course it can't, which is why there'll always be a need for pukka cameras, and there aren't too many firms out there who know more about making cameras than Nikon. Needless to say, the sky's more or less the limit when it comes to forking out for a Digital SLR, but assuming that you're not a) insanely rich or b) actually a professional photographer, then you'll be after a good, introductory level model, and when Nikon gave their popular D3400 a makeover a few months back and christened the new version the D3500 they edged even closer to getting things spot on. The resolution has stayed practically the same, at 24.2 megapixels, although a tweaked sensor has seen it improve ever so slightly, with image quality being further increased by the decision to do away with the optical low-pass filter (it's complicated, but has featured in earlier models to help prevent the moiré effect becoming evident), which improves detail. With an ISO range of 100-25,600 it's got the chops to handle shooting in most light conditions, with image noise only starting to kick in when you get to the 800/1600 range, and the dynamic range on off is also superb for a camera in this sort of price range. There are seven different colour modes, all adjustable, so you'll have you pick between vivid, standard, neutral, portrait, landscape, monochrome and flat, the last being your best bet for videoing. And talking of videoing, while it doesn't offer 4K resolution, the Full HD 1080p should do the trick for amateurs – there's no mic input, too, so pros won't want to be filming on it. An improved battery life, meanwhile, means you can take up to 15,500 shots, which should get you through all but the most picturesque of holidays! With interchangeable lenses available, this'll open up a whole new world of snappery.

PRICE: CIRCA £300

BOSE FRAMES

There are two things that tech's all about these days – coming up with brand new products we never realised we needed until suddenly we had to have them, and combining two or more existing technologies into one much niftier device (see above for 'cameraphone', which seems a rather quaint phrase these days). And what we have here is a spectacular example of that mash-up philosophy from Bose, famed producers of speakers and headphones. 'Hang on,' I hear you thinking, 'they look more like a pair of sunglasses to me!' – and that's the point... a pair of sunglasses with some speakers built into the arms! Let's face it, we've all

been there, walking down the street on a sunny day listening to some tunes and wishing we didn't have to worry about sporting sunglasses AND headphones at the same time. Well now we can! There are actually two different styles of frame available; a classic Ray-Ban stylee and something a bit more rounded, and, like the Model-T Ford, they're available in any colour you'd like as long as it's black. As sunglasses they tick all the right boxes – 99% UV filtering to protect the old mince pies, and you can even pop out and replace the lenses, with silver and rose gold options available. The arms, inevitably, feel a bit chunkier than they would in a normal pair of shades, but then they do contain little speakers that'll pipe your favourite choons into the air very close to your ears. Bluetooth connection to whatever you're playing the music on is good, and charging easy. As for sound quality, well it ain't that bad, although of course they don't block out any ambient noise around you. Reckon you're cool enough?

A bloke sees a sign in front of a house: "Talking Dog for Sale." He rings the bell and the owner tells him the dog is in the back garden. The bloke goes into the back garden and sees a black dog just sitting there.

"Do you talk?" he asks.

"I sure do," the dog replies.

"So, what's your story?"

The dog looks up and says, "Well, I

"The jetting around really tired me out, and I wanted to settle down. So I signed up for a job at the airport to do some undercover security work, mostly wandering near suspicious characters and listening in. I uncovered some incredible dealings there and was awarded a batch of medals. Had a wife, a mess of puppies, and now I'm just retired."

The guy is amazed. He goes back in and

asks the owner
what he wants
for the dog.

The owner says, "Ten quid."

The guy says, "This dog is amazing. Why on earth are you selling him so cheap?"

"Because he's a fucking liar. He didn't do any of that spy shit."

Little Jenny

garden filling
in a hole when
her neighbour
peered over
the
fence.

Interested in what the cheeky-faced youngster was doing, he politely asked, "What are you up to there."

"My goldfish died," replied Jenny tearfully.

The neighbour was concerned; "That's an awfully big hole for a little goldfish, isn't it?"

Jenny patted down the last heap of earth then replied, "That's because he's inside your fucking cat!"

A woman went to a pet shop and immediately spotted a large beautiful parrot. There was a sign on the cage that said £50.

"Why so little?" she asked the pet shop owner.

The owner looked at her and said, "Look, I should tell you first that this bird used to live in a house of prostitution, and sometimes it comes out with some pretty vulgar stuff."

The woman thought about this, but decided she had to have the bird anyway, so she bought it. She took it home and hung the bird's cage up in her living room and waited for it to say something. The bird looked around the room, then at her, and said, "New house, new madam."

The woman was a bit shocked at the implication, but then thought, "that's not so bad."

When her two teenage daughters returned from school the bird saw them and said, "New house, new madam, new girls."

The girls and the woman were a bit offended but then they began to laugh about the situation.

Later that evening the woman's husband came home from work. The bird looked at him and said, "Hello Keith, we've got some new girls!"

Two American tourists were driving through Wales. As they were approaching Llanfairpwllgwyngyllgogerychwyrndrobwilllantasiiogogoch they started arguing about the correct pronunciation of the town's name.

They argued back and forth until they stopped for lunch.

As they stood at the counter, one

tourist asked the girl serving: "Excuse me, but before we order, could you please settle an argument for us? Would you please pronounce exactly where we are... very slowly?"

So the girl leaned over the counter and said, "Burrrrrrrrgerrrrrrr Kiiiiing."

A woman phones up her husband at work for a chat but he says: "I'm sorry, love, but I'm up to my neck in work today. – I really don't have time to talk."

"But I've got some good news and some bad news for you dear," she says.

"OK then darling," he replies. "Like I say, I've got no time now, so just give me the good news."

So she says: "Well, the air bag in the new car works a treat..."

"No, not much really... what are you up to?"

discovered my gift of talking pretty young and I wanted to help the government, so I told MI5 about my gift, and in no time they had me jetting from country to country sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies for years.

It's always a treat to be able to combine *Mayfair's* commitment to classy lingerie sets with a bit of alfresco fun at this time of year – and triply so when you're combining them thanks to a top-drawer stunner like Kayden Kross! It's hard to imagine many girls managing to look quite so elegant and at the same time gobsmackingly raunchy while perching halfway up a rather uncomfortable stone staircase! As well as being one of the hottest babes on the planet, Kayden's one of the few models who can be recognised solely by her nipples, which really are corks, aren't they? She could probably have you eye out with one of those, but it'd probably be worth it!

■■■■■■■■

So now we're safely into the second half of the year we thought it was high time we snuffled out another stunning British newbie to present to our discerning readership, and without wanting to sound too smug about it, we reckon we've played a bit of a blinder here! West country cutie Rosa's right out of the top drawer, isn't she, and we're convinced she's a natural fit for the *Mayfair* stable of stunners...

"Aw, thank you! I'd like to think so – I've been a massive fan of so many of your girls in the last few years it would be real honour to join their ranks!" she gushes, not realise than, as ever, the honour is all ours.

SCENE from MAYFAIR

A trio of belters for you this issue, with one of the most loved British films of all time, and a couple of TV series that really ought to be on your 'to watch' list...

CHERNOBYL

I didn't know much about the explosion in Chernobyl reactor 4 that in 1986 sent huge clouds of radiation wafting across Europe and devastated the immediate region, and this 5-partner makes make things a lot clearer... but it's the human impact of the disaster that really makes this the most unmissable telly I've clocked this year. Starting with the explosion itself – nothing flashy – initially the scale of the problem is massively downplayed due to a combination of negligence, politics and obfuscation. However, nuclear physicist Valery Legasov (Jared Harris) quickly realises the seriousness of the situation and the evacuation and fraught clean-up operation begin. With its unflinching look at the terrible cost paid by those involved – many of whom were to die horribly within weeks – and culmination in the revelation of how and why the disaster happened, this is TV of the highest quality. With Harris joined by Stellan Skarsgård, Paul Ritter and Emily Watson, a pin-sharp screenplay from writer Craig Mazin and a nerve-jangling soundscape, this is near faultless drama.

KIND HEARTS AND CORONETS

It's a full 70 years since one of the most beloved of the Ealing comedies hit the big screens, making this the perfect time for StudioCanal and the BFI to dig it out, give it a 4K sprucing up that's got it looking better than ever, and put it out with shed loads of extras in this anniversary special edition – there's even a limited cinema run. It's a pretty subversive (especially for the time!) piece that sees Dennis Price playing the disinherited scion of a noble family who, disgruntled by the treatment of his mother by her rich relatives, sets about taking his revenge by killing off all the D'Asgoynes between him and the title of Duke of Chalfont – every one of them played by Alec Guinness. Joan Greenwood and Valerie Hobson add romantic diversions in what is, according to *The Guardian's* film critic, the best film in the world. Well you can't ask for more than that, can you?

FLACK

There's so much interesting telly about these days it can get a bit overwhelming – series pass you by before you've clocked they're on, especially when they air on a channel called W, which most of us probably don't know even exists. Thankfully, there's never long to wait before they crop up on DVD, and so it is with this one, a snappy series that sees Robyn (Anna Paquin), an American transposed to Blighty following her mum's suicide, working for a PR firm and tasked with the job of crisis managing all the career disasters that loom, one after another, for the agency's hapless clientele. It's a great concept for a show, and Robyn's propensity for delivering zingers and polishing off gag as she strives to help footballers, chefs, comedians and the like keep things nicely pepped. A strong ensemble that includes Sophie Okonedo and Rebecca Benson add to the fun.

MEGAN

Here at *Mayfair* we like to think of ourselves bringing a little bit of extra spice into the lives of our readers, but on this occasion it's not so much spice we're bringing as herb, courtesy of 23 year old cutie Megan Sage!

"Oh, that's terrible! Next you'll be trying to team me up with a girl called Anna Onion or something so you can make some sort of lame 'stuffing' gag!"

Hmm, you clearly know us only too well. If only there really were a girl called Anna Onion! Mind you, you're clearly a tasty enough dish not to require any garnishing, although we'd be tempted to try and add a little white sauce, given half a chance...

MAYFAIR MOVIES

Midsummer may well have come and gone now, but the jammy knobsmen in these flicks just keep on coming and coming!

PRIVATE PRESENTS ●●●●○ SEXCLUSIVE SPA

Pivate seem to have got hold of a real life, rather swanky spa for this one, and with a cast list that includes Jolee Love and newbie Chloe Lamour, they certainly have the assets to make the most of it. The lucky stud in the first scene is getting a rubdown from blonde Lovita, but spa boss Jolee decides he needs the exclusive treatment and so he gets two babes to satisfy his every need. And satisfy them they do, taking turns to slurp on his pole before Jolee clambers on. Both girls get a good ride out of him, frequently while 69ing each other, before the well satisfied client drizzles his load over their beaming faces. Curvy Chloe's a real stunner who'd probably make most massage clients cream their towels just by putting her latex gloves on. But when she starts tossing George off while fingering his bum he must know his staying power is going to be tested to the limit. In fact he does come relatively soon, but is so into her he just carries on and delivers a second pop, and you can't blame him. A cut above a typical Private flick.

WICKED PICTURES PRESENTS ●●●●○ GOOD THINGS COME IN THREES

Three, as De La Soul pointed out back in 1989, is a magic number – and never was that more the case then when you're lensing a scruff movie. Two randy woodsmen and one voracious flamer is a classic combo that always adds a certain piquancy to what might otherwise be a run-of-the-mill skinflick, but this offering from Wicked offers us up five scenes which all feature the symmetrical two dicks to one chick ratio. Nicely-proportioned Jolee's first up, and while at first it looks like she's only got one fella to service, a second soon appears and she gamely noshes them both off. Things soon turn spitroasty, as the lads take it in turns to prong her fore and aft while she sucks the other off in a variety of positions, until they wrap things up with two gobfuls of goo. It's a similar story for Cassie, Barbie and Ellen before Dominica adds a DP to the equation, the mucky minx!

DIGITAL PLAYGROUND PRESENTS ●●●●○ FUCK FOREVER

Ilike a good knee-trembler as much as the next man, but the thought of doing it forever – even with horny temptresses like Angela White and Gina Valentina – is way too much for me. And indeed it turns out there's no forever fucking going on here, with things kicking off with Gina and accomplice Xander tying up some poor old codger who thinks he's ordered an escort and robbing him! Well that's not very nice for the old boy, especially as the randy robbers then set about fucking each other while they're at it, making the most of their unfortunate mark's bedroom for some top-notch drilling that see's Gina's furry snizz getting a good old work-out. Nubile Ivy's a big fan of the pair, and, after a tremendous shag with her dweeby boyfriend they abduct her. Cop Angela's on their tail, though, and after a lesbo interrogation of Ivy she tracks them down – for a nutcracking threesome that really sets the seal on a fine offering from Wicked.

LUCY

Age: 25 Vital Stats: 34DD-25-34 5'6"

Photographer: Dazglam

It's been nigh on two years since we last featured luscious Lucy, who for some reason was miscredited with having C-cup boobage when, as anyone with half a clue about this sort of thing can see, she's sporting a pair of magnificent Double Ds. Well obviously we've taken the sub responsible round the back and had him shot and we'll say no more about it, but Lucy's not the sort to bear a grudge about that sort of thing...

"It made me laugh, actually, and I started wondering how things might have turned out if I really did have a C-cup! To be honest, I think I prefer my boobs the way they are!"

No doubt you'd be just as lovely with smaller boobs, but we wouldn't change a thing!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've just done something really naughty, something I never thought I was capable of doing. I'm in my late twenties and after having a few partners in my life I recently got married to Jamie. I was a little bit of a slapper before I met Jamie, I was always having one night stands or experimenting sexually but since I got hitched I've calmed down and I have been extremely loyal. It's been quite easy because Jamie has got a lovely thick cock and always satisfies me in the bedroom, so I haven't had to look elsewhere for my erotic kicks. Or so I thought, because last week I strayed...

It was a weekday and Jamie was at work while I did the usual chores around the house. I had planned to go to the supermarket later that day but just before I was about to leave the house I was interrupted by an unexpected guest. Emma lives a few doors down from me and her husband happens to be best mates with Jamie. She's a pretty blonde thing, a few years younger than me and we get on really well.

Like me, Emma had a bit of a reputation before she settled down and I'd even heard she'd had a few lesbian relationships

when she was younger. I thought those days were behind her and I never felt like she saw me as more than a friend, but when she came round in a flood of tears I realised it was more than that.

"I've got something important to tell you," she said between sobs.

Not thinking anything of it I took her in my arms, gave a good hug and told her to tell

WHEN SHE BEGAN TO SQUEEZE MY NIPPLE THROUGH THE FABRIC OF MY DRESS I WENT WEAK AT THE KNEES.

me what was upsetting her. I certainly wasn't prepared for her answer.

"I really fancy you!" she declared.

Naturally, I was gobsmacked and I know I should have broken our clinch there and then but for some reason I kept my arms wrapped around Emma. In fact I pulled her even closer to me. I think she was

more startled than me by this and the astonishment was amplified when I leaned forward and kissed her!

It was as if I didn't know what I was doing, but somehow I did. Emma responded to my kiss by pushing her own tongue into my mouth and that was it, we were having a full-on snog. My mind was in a daze but deep down I was enjoying it. I'd never snogged a girl before and I was surprised by how good it felt.

Emma must have noticed how comfortable I was with the situation because then she raised the stakes by grabbing one of my breasts. Her touch was soft and gentle and when she began to squeeze my nipple through the fabric of my top I went all weak at the knees. I knew I was

crossing a line that I had never crossed before but at that point I thought nothing of it and reciprocated by grabbing her breasts. They were a little firmer than mine and as I squeezed them Emma gave me a pleasing smile. It certainly made a change from the sad face she had been sporting just minutes earlier.

"I knew I was right about you," she murmured, then she set off big time. After snogging and grinding against each other for several minutes the buxom blonde manoeuvred me around to the edge of the sofa, quickly removed my top, and leaned down to nurse my left breast. The sensation of her tongue flicking across my stiff, ruby nipple threw me into a frenzy. Pressing her face into my heaving bosom, I frantically wiggled my hips and soon my skimpy dress was draped around my ankles.

I moaned, as she siphoned my wobbling boob into her mouth. When she pulled my fragile thong away and wedged her hand between my clenched thighs, it felt even better. I automatically spread my legs, sending my shorts flying across the room. Emma immediately eased two fingers up my split hole and went to work on my right breast while I jacked my hips at her intruding fingers.

That wonderful woman certainly knew her stuff. Once she had brought me to the brink of satisfaction, she abandoned my boobs, set my arse on the sofa and knelt down to lap lustfully at my moist pink slit before

thrusting her tongue at my throbbing clit. Her timing was perfect. Grabbing hold of her hair, I stifled a pleasurable scream and hit

my peak.

Emma kept her hungry lips glued to my twat until she had sampled every drop of my creamy discharge, then lay back on the sofa. I knew exactly what she wanted me to do. Crouching above her voluptuous body, I tenderly fondled her breasts and sucked lustfully on her erect nipples.

"My, you're such a tease!" she hissed, writhing like a snake. "Don't keep me waiting! Eat my pussy!"

How could I refuse? Swinging around between her toned thighs, I trailed my fingers through her sparse bush to part her wet flaps and pushed my tongue up her gaping gash. Emma yelped as she curled an arm over my raised arse. I thought she was going to frig my snatch again, but instead she hauled my rear end upward and began slurping at my snatch. By the time we had reached mutual climax, we had practically shaken all the cushions off the sofa!

I don't think I need to tell you what has happened since, but I've been to see Emma every day and while our husbands are at work we've been making the most of our time together.

The men are meant to be going away on a golfing trip soon so me and Emma are really looking forward to being left home alone that weekend!

"SHE SET MY ARSE ON THE SOFA AND KNELT DOWN TO LAP LUSTFULLY AT MY PINK SLIT."

My close friend Rosie owns a small lingerie boutique and, as she's a single mum and sometimes struggles to find cover for the shop, I help out when I can, covering shifts and the like. I don't mind at all. Not just because she's my best mate and it's a break from my normal day, but because I absolutely adore the underwear! I love the feel of satin and lace, and wearing it under my normal day-to-day clothes makes me feel kind of naughty and sexy. So who better to flog it than me?

It was the Saturday before Valentine's Day this year and Rosie was at a conference down in London, so I was in the shop for her. Being that time of year, it was fairly busy and although I wasn't

rushed off my feet, there was a steady stream of customers until mid-afternoon.

It had been fairly quiet for half an hour, so I was just straightening up the stock and trying to busy myself in a productive way, when the door burst open and a guy blustered in.

I asked if there was anything I could help

explained, since he was willing to spend a considerable amount on this present he wanted to make sure it was exactly what he wanted, without her having to return or exchange it.

I felt that it should be OK, so I told him that I would be happy to, however, I obviously would not be stripping down to

back, and locked the door, turning the sign to 'back in 5 minutes'.

I wandered round the boutique with Jack in tow, showing him a range of the best designer lingerie for him to choose from. He kept asking my opinion and what I would choose to wear. I picked a red lace

him with and he immediately launched into this garbled story about wanting to buy some expensive lingerie for his girlfriend, but he didn't know her size and was a bit lost. He studied me for a moment, before saying that she looked about the same as me, and asked if I would be willing to try some things on for him. Naturally, he

display any particularly revealing pieces. He blushed and agreed, thanking me profusely. He introduced himself as Jack and, as I told him my own name, I realised that he was strikingly handsome – I hadn't noticed at first. As a personal safety precaution, I asked him to leave some ID behind the counter while we were out the

bra and panty set trimmed with black lace and a matching garter belt.

Jack picked up a number of other things and followed me to the changing area. It's quite a spacious room with a main room and cubicles off to the sides. I asked Jack to take a seat on the velvet chair provided while I went into one of the cubicles to get changed.

I had just managed to fasten the back of the bra when Jack came up behind me, and, cupping my breasts with both his hands, planted a kiss on my neck. I was more than a little startled and let out a small squeak of surprise. Spinning around to face him I glared at him and asked what his girlfriend would think if she could see him now.

Name: NIAMH
Age: 27
From: NEWCASTLE

He grinned at me cheekily and said that he hoped that she would thank him for all the lovely goodies he was just about to buy her. Then, he really surprised me by saying, "Niamh should be excited to know that I'm asking her to a party on Valentine's night so that she can wear some of it. Are you? Excited?"

It took me a moment to cotton on to what he was on about but as soon as it dawned on me, I asked him why he didn't just ask me out. "Why wait?" was his confident reply, and he pulled me against him and kissed me until I was breathless. Feeling his hard body pushing against me made me feel really horny, and although this was one of the strangest things that has ever happened to me I found the whole experience incredibly horny.

Completely out of character, I let myself go and gave in to this handsome stranger. I reached down and unzipped him, my hands fumbling inside his trousers to pull out his cock. It was thick and impressively long and just holding it made my pussy instantly start to dampen. I didn't have to worry about ruining the boutique's expensive lace knickers either, because Jack had them off in a blink, and I found myself leaning against the cubicle wall with his throbbing cock pressing between

my legs.

It has got to be one of the best knee tremblers I have ever had, because Jack was strong enough to actually lift me up and lower me down on his thick pole.

With my arms around his neck and my back pressed against the partition, Jack sunk his cock deep inside my pussy. It gripped tightly around his tool, creating friction as he pushed it in and out of me.

Soon I was gasping in response to the fast, hard fucking he was giving me and I buried my face into his shoulder to stop myself from crying out.

With his cock still fully in me, he carried me out into the larger area, lifted me onto a display counter and pulled my legs up, resting them on his shoulders. This position allowed him to fuck me really deeply and I gasped and moaned loudly as his cock hammered away at my throbbing pussy. Seconds later my orgasm hit me and I came really hard, gasping and groaning as my pussy tightened and throbbed, and I bit down gently on his shoulder to stop me from screaming out.

Of course, as soon as I came I was once again aware of my surroundings and the fact that I had just screwed a stranger in my friend's shop! I scrambled to my feet, pulling my bra back into place, but Jack stopped me and pointed to his still-erect cock. Picking up the lace knickers from the ground and placed them carefully on the counter, making Jack giggle, I laughed too, in spite of myself, thought 'what the hell' and, dropping to my knees, I took his cock into my mouth.

I don't think I've ever sucked a bloke off so fast in my life, but I was very aware that there was a 'back in 5

minutes' sign on the door and there could be customers outside waiting! Sliding his cock between my lips, I sucked on his helmet and drew as much of his cock inside my mouth as possible.

JACK WAS ACTUALLY STRONG ENOUGH TO LIFT ME UP AND LOWER ME DOWN ONTO HIS THICK POLE.

Tipping my head back as far as I could, I sucked him deep inside until I could feel his knob-end touching the back of my throat. Jack held my head as he sawed his cock back and forth, and then, with one final hard thrust, he blasted his cream against the back of my throat.

Not wanting to leave any evidence, I swallowed it all down, before quickly pulling my own clothes back on and accompanying him back in to the till to pay for his purchases. In all honesty, I thought that would be it – that he'd make his excuses and bugger off without buying anything, but yet again he surprised me. He not only bought the lingerie, but then gave it to me while asking me out to a party on Valentine's night.

Jack and I have been together since then. And, although it's only been a few months, we're getting on great. The sex is mindblowing and I've never been so turned on by being so naughty with a lover!

Nathalie

When 21-year-old Nathalie Cox told us the job she had most enjoyed doing was chauffering a young self-made millionaire it seemed only reasonable to give our readers the benefit of her 34-23-35 inches inside the sort of uniform she used to wear. 'It wasn't quite the same,' smiles Nathalie, who hales from Southampton. 'It was actually grey, and definitely *not* see-through. But I often wore only a bra and knickers underneath — with a suspender belt, of course.'

Classic MAYFAIR

Good gracious – did readers back in the dim and distant past (well, 1988) really fall for the blurb that Nathalie here really was a chauffeur, especially on the strength of that rather unconvincing uniform? Who knows, maybe they did - and maybe she was! Although the odds seem pretty long to me... **M**

She chuckles at the memory. 'My boss had just sold his company for an awful lot of money, and he didn't really have anything to do but spend it. He didn't actually need a chauffeur at all; he just fancied the idea of one. I used to spend most of my time driving him to big social events. Every day he tried to guess what colour knickers I was wearing, but I never let him find out for himself. Not while I was working anyway!' It was the same boss who suggested she try modelling.

'I enjoyed it,' she says, 'but I wouldn't like to give up working with cars.' An accomplished mechanic, she's taken part in numerous amateur rallies, as well as driven mini-cabs and worked as a secondhand car saleslady. 'I couldn't help pointing out each car's problems. They decided I'd be better employed elsewhere!' Not surprisingly the men who appeal to Nathalie need to have strong motoring connections. 'My ideal is Emerson Fittipaldi — he's dark, Latin and doesn't hang about!'

MAYFAIR

Vol.54 No.09

On Sale August 21st

Hang on a sec – I've just finished writing about the Classic set of Nathalie, and now it looks like we've got a newbie lined up for next issue called Nathaly! Well, it goes to show that while fashions may come and fashions may go, there'll always be a constant strand through human progress, and you won't need me to tell you that that constant strand is the enduring attraction of the suitably adorned female form! And here at *Mayfair* we've acquired quite an expertise about that, thanks to our 54 year study of the field! An expertise we'll be gladly sharing again next issue.
